ESSENTIAL JOB FUNCTIONS

Essential job functions are the fundamental duties of a position: the things a person holding the job absolutely must be able to do.

To actively support and uphold the City's stated mission and values. To perform a variety of technical duties in the operation of the City's reprographics center.

OTHER DUTIES AS ASSIGNED

Please note this job description is not designed to cover or contain a comprehensive listing of all activities, duties or responsibilities that are required of the employee for this job. Duties, responsibilities and activities may change at any time with or without notice.

- Perform job duties adequately and properly; follow personnel and department policies and operating procedures; show respect, tact, and courtesy in dealings with coworkers and the general public; behave in a manner that does not obstruct or hinder other employees from completing their duties; act in a manner that is safe and follow the City's safety procedures at all times.
- Ensure that the proper format, appearance, and layout of text and images is set before the full print run is completed.
- Perform edits on previously designed graphics and print layout.
- Printing as it applies to graphic design production including color separations, prepress file preparation, scanning and quality control.
- Frequent customer interaction; ability to understand and advise customers with printing and graphics; assist with planning and executing the layout and design of files including forms, brochures, newsletters, manuals, annual reports, charts, novelty items, fliers, print ads, logos, signage, business materials, graphics and/or mailings.
- Knowledge of a variety of large format substrates, materials and supplies of the printing trade.
- Apply printed graphics such as window clings, floor graphics, banners, decals, and other signage.
- Program and operate high volume digital print machines for job setting and digital color saturation capable of turning electronic files into paper output.
- Operate and maintain large format printer, cutter and laminator. Knowledge of proper color and paper profile usage to ensure correct printing output.
- Operate industry standard printing software to program print jobs.
- Cutting, weeding, and preparation of vinyl lettering and logos for Fleet decals. Knowledge of proper application techniques.
- Monitor and verify successful execution of batch files utilizing multiple automated jobs.
- Program and adjust printing computers, regulating factors such as digital color management, ink flow, number of copies and additional print customizations as needed.
- Follow quality control standards by Print & Mail Services guidelines checking samples and finished work.
- Identify and evaluate hardware and software problems for printing and postal computer systems; assisting ITD staff and/or outside vendor with problem resolution.
- Update digital inventory control system as needed to ensure accurate inventory counts and costs.
- Prepare customer billing by logging work orders, charging prints and binding fees and transferring monthly reports to appropriate people.
- Operate folding machine, laminator, envelope inserter, copier, mailing machine, cutting and binding equipment, padding press, spiral cutter and related equipment; maintain machines and make minor repairs or adjustments.
- Alert Lead of low printing supplies such as toner cartridges and waste containers; assist users in selecting appropriate supplies.
- Stack, package and distribute finished printed materials to City departments.

- Assist customers via email, phone calls and walk-ups consulting on print projects and progress and mail and cost estimates.
- Knowledge of Mail Operation Clerk position. Must have the ability to fill in for the Mail Operations Clerk. Active knowledge of daily intra-city mail run, city departments, mail codes, and the metering processes.
- Collect, sort, weigh and meter outgoing mail; pick up and deliver intra-city mail; monitor postage meter usage to maintain adequate postage balance. Active knowledge of USPS mail classes and their qualifications.
- Knowledge of USPS Mailing Requirements for postcards, letters, flats and packages; ensuring print and mailing projects follow the required design guidelines.
- Receive and process surplus property; use a forklift to remove surplus property from vehicles and organize on pallets. Track and monitor incoming/outgoing surplus through the use of spreadsheets and Microsoft Excel. Manage and update Surplus Exchange to reflect current inventory.
- Other duties related to the core functions of this classification.
- Physically present to perform the duties of the position.

PHYSICAL DEMANDS AND WORK ENVIRONMENT

- Lift heavy objects (up to 50 lbs.);
- Move heavy objects such as pallets of paper, surplus property, finished print production jobs with forklift, dolly, etc.;
- Operate city vehicles;
